THE MANAGER  
Human Resource Department

Dear Sir/Maam:

Greetings of Peace and Humility!

I am Bradley Niel Redoble – Fenequito, 23 years old, fresh graduate and I am applying in any position related to my field of expertise (preferably Entertainment, Production, Creative Media, Arts, Photo shoot and Styling, Corporate Events, Human Resources Employee Relations, HR Training and Development, *Event Hosting and Eventologists*.)

Through my qualification as a fresh graduate of Bachelor of Science in Psychology at Mindanao State University – Iligan Institute of Technology with track records in Sociology and in English, my academe has geared me not only with academic excellence but values that propel not only to service but service with significance. I believe that I am a man that exemplifies not only your company's external vision but rather I will use my personal insights and thoughts in life as a platform to deliver your company's internal and true mission.

Moreover, I have once been a celebrated event host and eventologists long before I made my finale performance in the MSU-IIT Alay sa Graduates where they gave me the recognition of being the institute Host of the Decade. I also have once been an endorser in tri-media endorsement, seasoned pageant director, photoshoot creative director and was been able to do the hosting stints in the Regine Velasquez Most Requested Concert, Sarah Geronimo Record Breaker Concert and Anne Curtis Annebisyosa Concert – the trilogy happened at the Atrium.

Armed with lessons I have learned in life, with humility and humanity, please allow me to be part of your esteemed work force and I swear to our Creator, to our Source that I will not just be an employee but an epitome of good will and of character.

Attached are my brief resume and I.D. picture. Thank you and more powers!

Respectfully yours,

Mr. Bradley Niel Redoble – Fenequito, TM
